New Business: It is time to conduct a 5-year review of the Zoning Ordinance and the Police Power Ordinances. It has been estimated that it will take about 6 meetings by the end of the year to review. Barkell will gather all information needed to complete review and we will start with the Police Power Ordinances next month. Also, we need to develop a system of providing amendment information to our Z.O.

Old Business: Cemetery Ordinance has been tabled. Solar Ordinance: Denise reports she just received a phone call from Consumers and will set up either a conference call or have a Representative come out and provide information and answer questions.
